HUZAIMA ANEEQ

Computer Engineer

+92 331 6947187 huzaimaaneeq335@gmail.com Marjal PO same Tehsil Zafarwal, Narowal

SUMMARY

I am a passionate and dedicated final-year Computer Science student with a strong foundation in programming languages like C++, as well as core concepts such as object-oriented programming, data structures, and database systems. Over the course of my studies, I have also developed skills in web development using HTML, CSS, and JavaScript. With a growing interest in the field of Artificial Intelligence and Deep Learning, I am now actively seeking an internship opportunity where I can apply my existing technical knowledge, gain hands-on experience with AI models and tools, and work on meaningful projects that solve real-world problems. My goal is to contribute to innovative AI solutions while expanding my practical skills in a collaborative and research-driven environment.

PROJECT

Student Login Management System

Developed a console-based Student Login Management System in C++ using OOP and linked lists, enabling student registration, login, and record management. Strengthened understanding of class design, pointer manipulation, and dynamic data structures.

Personal Portfolio Website

Created a personal portfolio website using HTML, CSS, and JavaScript to showcase projects and skills in a clean, responsive layout. Gained experience in front-end development, UI design, and mobile-friendly web interfaces.

LinkedIn Clone

Built a basic LinkedIn clone using HTML, CSS, and JavaScript, featuring user profiles, posts, likes, and a simplified newsfeed. Practiced front-end development, layout design, and interactive UI components for a professional networking interface.

EDUCATION

Bachelor Degree in Computer Science

University of Narowal, Narowal
2022-2026 (continue)

FSC (Pre-Engineering)

Punjab Group of College, Zafarwal Campus
2020-2022

SKILLS

- C++
- HTML
- CSS
- JAVASCRIPT
- DATABASE
- DATA STRUCTURES
- OBJECT ORIENTED PROGRAMMING

TOOLS & TECHNOLOGIES

- Visual Studio Code
- Git & GitHub
- MySQL
- Jupyter Notebook

INTEREST

- Artificial Intelligence
- Machine Learning
- Deep Learning
- Building Real World Application

LANGUAGES

- English
- Urdu
